

**Prevea Health** is pleased to announce a new service to help us **communicate** with you, help **organize** your busy life and **improve** patient care.

## Our new messaging system will:

- Automatically send you reminders by telephone to make it easier to confirm, reschedule or cancel your appointment. Simply press 1, 2 or 3.
- Automatically send reminders for follow-up visits for patients with chronic conditions.
- Offer recommendations about preventive care to improve your well-being.
